UNDERWRITING AGREEMENT

GOLDMAN, SACHS & CO.

c/o Goldman, Sachs & Co.  
85 Broad Street  
New York, New York 10004

Ladies and Gentlemen:

Vertex Pharmaceuticals Incorporated, a Massachusetts corporation (the "Company"), confirms its agreement with Goldman, Sachs & Co. ("Goldman Sachs"), with respect to the issue and sale by the Company and the purchase by Goldman Sachs of 7,500,000 shares of Common Stock, par value \$.01 per share, of the Company ("Common Stock") and with respect to the grant by the Company to Goldman Sachs of the option described in Section 2(b) hereof to purchase all or any part of 1,125,000 additional shares of Common Stock to cover overallocments, if any. The aforesaid 7,500,000 shares of Common Stock (the "Initial Securities") to be purchased by Goldman Sachs and all or any part of the 1,125,000 shares of Common Stock subject to the option described in Section 2(b) hereof (the "Option Securities") are hereinafter called, collectively, the "Securities."

The Company understands that Goldman Sachs proposes to make a public offering of the Securities as soon as it deems advisable after this Agreement has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the "Commission") an automatic shelf registration statement on Form S-3 (No. 333-153543), including the related preliminary prospectus or prospectuses, which registration statement became effective upon filing under Rule 462(e) ("Rule 462(e)") of the rules and regulations of the Commission (the "1933 Act Regulations") under the Securities Act of 1933, as amended (the "1933 Act"). Such registration statement covers the registration of the Securities under the 1933 Act. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430B ("Rule 430B") of the 1933 Act Regulations and paragraph (b) of Rule 424 ("Rule 424(b)") of the 1933 Act Regulations. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B is referred to as "Rule 430B Information." Each prospectus used after the effectiveness of the Original Registration Statement and prior to the execution and delivery of this Agreement in connection with the offering of the Securities is herein called a "preliminary prospectus." Such registration statement, at any given time, including the amendments thereto at such time, exhibits and any schedules thereto at such time, the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at such time and the documents otherwise deemed to be a part thereof or included therein by 1933 Act Regulations, is herein called the "Registration Statement." The Registration Statement at the time

it originally became effective is herein called the "Original Registration Statement." The final prospectus in the form first furnished to Goldman Sachs for use in connection with the offering of the Securities, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at the time of the execution of this Agreement is herein called the "Prospectus." For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system ("EDGAR").

All references in this Agreement to financial statements and schedules and other information which is "given," "contained," "included," "stated" or "described" in the Registration Statement, any preliminary prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which are incorporated by reference in or otherwise deemed by 1933 Act Regulations to be a part of or included in the Registration Statement, any preliminary prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any preliminary prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934 (the "1934 Act") which is incorporated by reference in or otherwise deemed by 1933 Act Regulations to be a part of or included in the Registration Statement, such preliminary prospectus or the Prospectus, as the case may be.

(a) Representations and Warranties by the Company. The Company represents and warrants to Goldman Sachs as of the date hereof, as of the Applicable Time referred to in Section 1(a)(i) hereof, as of the Closing Time referred to in Section 2(c) hereof, and as of each Date of Delivery (if any) referred to in Section 2(b) hereof, and agrees with Goldman Sachs, as follows:

(i) Status as a Well Known Seasoned Issuer. (A) At the time of filing the Original Registration Statement, (B) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the 1934 Act or form of prospectus), (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) ("Rule 163(c)") of the 1933 Act Regulations) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the 1933 Act Regulations and (D) at the date hereof, the Company was and is a "well known seasoned issuer" as defined in Rule 405 of the 1933 Act Regulations ("Rule 405"), pursuant to Section 1(i)(A) of such definition, including not having been and not being an "ineligible issuer" as defined in Rule 405. The Registration Statement is an "automatic shelf registration statement," as defined in Rule 405 and the Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 "automatic shelf registration statement." The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the 1933 Act Regulations objecting to the use of the automatic shelf registration statement form.

2

At the time of filing the Original Registration Statement, at the earliest time thereafter that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Securities and at the date hereof, the Company was not and is not an "ineligible issuer," as defined in Rule 405.

(ii) Registration Statement, Prospectus and Disclosure at Time of Sale. The Original Registration Statement became effective upon filing under Rule 462(e) on September 17, 2008, and any post-effective amendment thereto also became effective upon filing under Rule 462(e). No stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

Any offer that is a written communication relating to the Securities made prior to the filing of the Original Registration Statement by the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c)) required to be filed that is an offer for purposes of Rule 163 has been filed with the Commission in accordance with the exemption provided by Rule 163 and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the 1933 Act provided by Rule 163.

At the respective times the Original Registration Statement and each amendment thereto became effective, at each deemed effective date with respect to Goldman Sachs pursuant to Rule 430B(f)(2) of the 1933 Act Regulations and at the Closing Time (and, if any Option Securities are purchased, at the Date of Delivery), the Registration Statement complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Time (and, if any Option Securities are purchased, at the Date of Delivery), included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Each preliminary prospectus (including the prospectus or prospectuses filed as part of the Original Registration Statement or any amendment thereto) complied when so filed in all material respects with the 1933 Act Regulations and each preliminary prospectus and the Prospectus delivered to Goldman Sachs for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

As of the Applicable Time (as defined below), neither (x) the Issuer General Use Free Writing Prospectus(es) (as defined below), if any, issued at or prior to the

"Issuer General Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule B hereto.

Each Issuer Free Writing Prospectus, if any, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the Company notified or notifies Goldman Sachs as described in Section 3(e), did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, and any Preliminary Prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any amendment or supplement thereto or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by Goldman Sachs expressly for use therein.

4

The documents incorporated or deemed to be incorporated by reference in (a) the General Disclosure Package, when read together with the other information in the General Disclosure Package at the earlier of time the General Disclosure Package was first used and the date and time of the first contract of sale of the Securities in this offering and (b) the Prospectus at the Closing Time (and if any Option Securities are purchased, at the Date of Delivery), did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(m) *Termination of Agreement*. If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement, or, in the case of any condition to the purchase of Option Securities, on a Date of Delivery which is after the Closing Time, the obligations of Goldman Sachs to purchase the relevant Option Securities, may be terminated by Goldman Sachs by written notice to the Company at any time at or prior to the Closing Time or such Date of Delivery, as the case may be, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Sections 1, 6, 7 and 8 shall survive any such termination and remain in full force and effect.

#### SECTION 6. Indemnification.

(a) *Indemnification of Goldman Sachs*. The Company agrees to indemnify and hold harmless Goldman Sachs, its affiliates, as such term is defined in Rule 501(b) under the 1933 Act (each, an "Affiliate"), its selling agents and each person, if any, who controls Goldman Sachs within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any

22

litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as reasonably incurred (including the reasonable fees and disbursements of counsel chosen by Goldman Sachs), in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by Goldman Sachs expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information, any preliminary prospectus any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) *Indemnification of Company.* Goldman Sachs agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or any preliminary prospectus, any Issuer Free Writing Prospectus, or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by Goldman Sachs expressly for use therein.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by Goldman Sachs, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. The indemnifying party shall be entitled, after written notice from the indemnifying party to the indemnified party, to assume the defense of such litigation or proceeding with counsel of its choice at its expense; provided.

23

---

however, that such counsel shall be satisfactory to the indemnified party in the exercise of its reasonable judgment. Notwithstanding the election of the indemnifying party to assume the defense of such litigation or proceeding, the indemnified party shall have the right to employ separate counsel and to participate in the defense of such litigation or proceeding, and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel and shall pay such fees, costs and expenses (provided that, with respect to any single litigation or proceeding or with respect to several litigations or proceedings involving substantially similar legal claims, the indemnifying party shall not be required to bear the fees, costs and expenses of more than one such counsel other than one local counsel) if (i) the indemnified party shall have been advised by its counsel (with notice to the counsel appointed by the indemnifying party, so long as such delivery of notice could not reasonably be expected to result in the loss of any privilege) that there may be legal defenses available to it that are different from or additional to those available to the indemnifying party, such that it would render representation by counsel to the indemnifying party inappropriate or inadvisable for the indemnified party, (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party in the exercise of the indemnified party's reasonable judgment to represent the indemnified party within a reasonable time after notice of the institution of such litigation or proceeding or (iii) the indemnifying party shall authorize in writing the indemnified party to employ separate counsel at the expense of the indemnifying party. After notice from the indemnifying party to the indemnified party of the indemnifying party's election so to assume the defense thereof and approval by the indemnified party of the indemnifying party's counsel appointed to defend such action, the indemnifying party will not be liable to the indemnified party under this Section 6 for any legal or other expenses, unless the indemnified party shall have employed separate counsel in accordance with the immediately preceding sentence. In any action or proceeding the defense of which the indemnifying party so assumes, the indemnified party shall have the right to participate in such litigation and retain its own counsel at the indemnified party's own expense. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a) (ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying

24

---

party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

SECTION 7. *Contribution.* If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and Goldman Sachs on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of Goldman Sachs on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and Goldman Sachs on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discount received by Goldman Sachs, in each case as set forth on the cover of the Prospectus bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company on the one hand and Goldman Sachs on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by Goldman Sachs and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and Goldman Sachs agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, Goldman Sachs shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which Goldman Sachs has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

25

---

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls Goldman Sachs within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each of Goldman Sachs's Affiliates and selling agents shall have the same rights to contribution as Goldman Sachs, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company.

**SECTION 8. Representations, Warranties and Agreements to Survive.** All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of Goldman Sachs or its Affiliates or selling agents, any person controlling Goldman Sachs, its officers or directors or any person controlling the Company and (ii) delivery of and payment for the Securities.

**SECTION 9. Termination of Agreement.**

(a) *Termination; General.* Goldman Sachs may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Time (i) if there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of Goldman Sachs, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission or the Nasdaq Global Select Market, or if trading generally on the American Stock Exchange or the New York Stock Exchange or in the Nasdaq Global Select Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the Financial Industry Regulatory Authority, or any other governmental authority, or (iv) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, or (v) if a banking moratorium has been declared by either Federal or New York authorities.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in

26

---

Section 4 hereof, and provided further that Sections 1, 6, 7 and 8 shall survive such termination and remain in full force and effect.

**SECTION 10. Notices.** All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to Goldman Sachs shall be directed to it at 85 Broad Street, 20th Floor, New York, New York 10004, Attention: Registration Department, with a copy to Cleary Gottlieb Steen & Hamilton LLP, One Liberty Plaza, New York, New York, 10006, attention of Leslie N. **SECTION 11. No Advisory or Fiduciary Relationship.** The Company acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and Goldman Sachs, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction Goldman Sachs is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its stockholders, creditors, employees or any other party, (c) Goldman Sachs has not assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether Goldman Sachs has advised or is currently advising the Company on other matters) and Goldman Sachs has no obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) Goldman Sachs and its respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and (e) Goldman Sachs has not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

**SECTION 12. Integration.** This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and Goldman Sachs, or any of them, with respect to the subject matter hereof.

SECTION 13. Parties. This Agreement shall inure to the benefit of and be binding upon Goldman Sachs and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than Goldman Sachs and the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of Goldman Sachs and the Company and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from Goldman Sachs shall be deemed to be a successor by reason merely of such purchase.

SECTION 15. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 16. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof, whereupon this instrument, along with all counterparts, will become a binding agreement between Goldman Sachs and the Company in accordance with its terms.

FORM OF OPINION OF COMPANY'S COUNSEL  
TO BE DELIVERED PURSUANT TO  
SECTION 5(b)

We have acted as outside counsel for the Company (as defined in the Underwriting Agreement) in connection with the preparation, execution and delivery of the Underwriting Agreement and the consummation of the transactions contemplated thereby. In connection therewith, we have examined executed originals or counterparts of the Underwriting Agreement, the Registration Statement, the Prospectus and such other documents as we have deemed necessary for purposes of this opinion.

Insofar as this opinion relates to factual matters, we have relied upon representations and warranties of the Company set forth in the Underwriting Agreement, certificates of officers of the Company and public officials and certificates delivered to you in connection with the Underwriting Agreement and the transactions contemplated thereby.

As used herein, any reference to "our knowledge," "best of our knowledge," "of which we have knowledge," "known to us" or words of similar import, shall mean to the knowledge of any lawyer in this firm who was involved in representing the Company in connection with the transactions contemplated by the Underwriting Agreement or is otherwise involved on an ongoing basis in providing legal services to the Company. Except as expressly set forth in this opinion, we have not undertaken any independent investigation, including, without limitation, any investigation of corporate, court or other documents or records or search of any computerized or electronic databases or the dockets of any court, regulatory body or governmental agency or other filing office in any jurisdiction, to determine the existence or absence of any such facts or other information, and no inference as to our knowledge of the existence or absence of any facts or other information should be drawn from the fact of our representation of the Company.

In rendering the opinions set forth herein, we have assumed without independent inquiry or investigation, (i) the genuineness of all signatures on all documents and instruments examined by us, (ii) the authenticity of all documents submitted to us as originals, and (iii) the conformity to originals of all documents submitted to us as certified, photostatic or conformed copies, and the authenticity of the originals of such documents. We have also assumed that each of the parties to the Underwriting Agreement (other than the Company) has all requisite power and authority and has taken all necessary action (corporate or otherwise) to execute and deliver the Underwriting Agreement and to effect the transactions contemplated thereby and that the Underwriting Agreement constitutes the legal, valid and binding obligation of each of such other parties enforceable in accordance with its terms.

We call your attention to the fact that members of this firm are admitted to practice law in the Commonwealth of Massachusetts and the State of New York. Accordingly, no opinion is expressed herein with respect to any matter, which is determined by the law of any jurisdiction except the federal laws of the United States of America, the laws of the Commonwealth of Massachusetts and the laws of the State of New York. Insofar as this opinion addresses matters

governed by laws of any other jurisdiction, this opinion is delivered as though such matters were governed by and construed in accordance with the domestic substantive laws of the Commonwealth of Massachusetts (without regard to the application of any conflict of law rule that would result in the application of the domestic substantive law of any other jurisdiction).

Based upon and subject to the foregoing assumptions, limitations and qualifications, and subject to the penultimate paragraph of this letter, we are of the opinion that:

- (i) The Company has been duly incorporated and validly exists as a corporation in good standing under the laws of the Commonwealth of Massachusetts.
- (ii) The Company has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under the Underwriting Agreement.
- (iii) The Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction within the United States in which such qualification is required, whether by reason of the ownership or leasing of property or the maintenance of an office, except where the failure so to qualify or to be in good standing could not reasonably be expected to result in a Material Adverse Effect (as defined in the Underwriting Agreement).
- (iv) The authorized capital stock of the Company is as set forth in the unaudited condensed consolidated balance sheets of the Company as of June 30, 2008 included in the Prospectus, as of the date specified therein.
- (v) Vertex Securities Trust (“Vertex Securities”) has been duly organized and is validly existing as a business trust in good standing under the laws of the Commonwealth of Massachusetts, has power and authority as a business trust to own, lease and operate its properties and is duly qualified as a foreign entity to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the maintenance of an office, except where the failure so to qualify or to be in good standing could not reasonably be expected to result in a Material Adverse Effect.
- (vi) Vertex Holdings, Inc. (“Vertex Holdings”) has been duly organized and is validly existing as a corporation in good standing under the laws of the State of Delaware, has corporate power and authority to own, lease and operate its properties and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the maintenance of an office, except where the failure so to qualify or to be in good standing could not reasonably be expected to result in a Material Adverse Effect.
- (vii) The Underwriting Agreement has been duly authorized, executed and delivered by the Company.
- (viii) The Securities (as defined in the Underwriting Agreement) have been duly authorized by all necessary corporate action of the Company, have been validly issued by the Company and are fully paid and nonassessable; no holder of the Securities will be subject to personal liability by reason of being such a holder; and the holders of outstanding shares of capital stock of the

Company are not entitled to any preemptive rights to subscribe for the Securities under the Restated Articles of Incorporation of the Company, as amended (the “Articles of Incorporation”), the By-Laws of the Company, as amended (the “By-Laws”) or the Massachusetts Business Corporation Act (the “MBCA”).

- (xi) The documents incorporated by reference in the Registration Statement and the Prospectus (other than the financial statements and schedules and other financial data included therein, as to which we express no opinion) as of the respective dates of their filing with the Commission, complied as to form in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission promulgated thereunder.
- (xii) The form of certificate used to evidence the Common Stock complies in all material respects with all applicable statutory requirements of the laws of the Commonwealth of Massachusetts, with any applicable requirements of the Articles of Incorporation and By-Laws of the Company and the requirements of the Nasdaq Global Select Market.
- (xiii) To the best of our knowledge, there is no pending or threatened action, suit, proceeding, inquiry or investigation to which the Company or any of its subsidiaries is a party, or to which the property of the Company or any of its subsidiaries is subject, that is required to be described in the Prospectus that is not described as so required.
- (xiv) The statements set forth in the Prospectus (excluding the documents incorporated by reference therein) under the heading under “Description of Capital Stock,” insofar as such statements purport to summarize certain provisions of the Securities, the Articles of Incorporation and By-Laws, provide a fair summary of such provisions.
- (xv) To the best of our knowledge, there are no franchises, contracts, indentures, mortgages, loan agreements, notes, leases or other instruments required to be described or referred to in the Prospectus or to be filed as exhibits to the Registration Statement other than those described or referred to therein or filed or incorporated by reference as exhibits thereto, and the descriptions of the contracts described in the Prospectus or references thereto fairly summarize the arrangements covered thereby.
- (xvi) No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency of the Commonwealth of Massachusetts or the United States (other than such as may be required under the applicable securities laws of the various jurisdictions in which the Securities will be offered or sold, or as may be required by the Financial Industry Regulatory Authority, in each case, as to which we express no opinion) is required for the due authorization, execution and delivery of the Underwriting Agreement by the Company in connection with the offering, issuance, sale or delivery of the Securities to Goldman, Sachs & Co.
- (xvii) The execution, delivery and performance by the Company of the Underwriting Agreement and the consummation of the transactions contemplated in the Underwriting Agreement and compliance by the Company with its obligations thereunder do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of or default under, or result in the creation or imposition of any lien, charge or encumbrance upon any

assets or properties of the Company, Vertex Securities or Vertex Holdings pursuant to, any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or any other agreement or instrument, known to us, to which the Company, Vertex Securities or Vertex Holdings is a party, or by which any of the assets or properties of the Company, Vertex Securities or Vertex Holdings may be bound, nor will such action result in any violation of the provisions of the Articles of Incorporation and By-Laws of the Company or any laws or administrative rules or regulations of federal law or the Commonwealth of Massachusetts normally applicable to transactions of the type contemplated by the Underwriting Agreement (other than the state securities laws, rules or regulations thereunder and federal securities laws, rules or regulations thereunder concerning matters relating to, or the adequacy of, disclosure in the Registration Statement or Prospectus, as to which we express no opinion in this paragraph (xviii)) or any judgment, order or decree known to us of any court or governmental agency or body having jurisdiction over the Company, Vertex Securities or Vertex Holdings.

(xviii) The Company is not, and, upon the offering and sale of the Securities as contemplated in the Prospectus and the application of the net proceeds therefrom as described in the Prospectus, will not be required to register as an "investment company" as such term is defined in the 1940 Act.

We have reviewed the registration statement on Form S-3 (File No. 333-153543) of the Company (the "Registration Statement"), relating to the Securities and other securities of the Company, filed on September 17, 2008, with the Commission under the 1933 Act, allowing for delayed offerings pursuant to Rule 415 under the 1933 Act, including the Incorporated Documents (as defined below) and the information deemed to be a part of the registration statement at the time of effectiveness pursuant to Rule 430B of the 1933 Act Regulations, and (i) the preliminary prospectus, dated September 17, 2008 (the "Preliminary Prospectus"), relating to the offering of securities of the Company, which forms a part of and is included in the Registration Statement, and (ii) the final prospectus, dated September 18, 2008 (the "Final Prospectus" and, together with the Preliminary Prospectus, the "Prospectus"), also relating to the offering of the Securities, in the form filed with the Commission pursuant to Rule 424(b) of the 1933 Act Regulations. We also have reviewed the documents filed by the Company pursuant to the 1934 Act and incorporated by reference into the Prospectus as of the date hereof (collectively, the "Incorporated Documents"), and such other documents as we deemed appropriate. Assuming the accuracy of the representation and warranties of the Company set forth in Section 1(a)(i) of the Underwriting Agreement, the Registration Statement became effective upon filing with the Commission pursuant to Rule 462 of the 1933 Act, and, to our knowledge, (i) no stop order suspending the effectiveness of the Registration Statement has been issued, and (ii) no proceedings for that purpose have been instituted or are pending or threatened by the Commission.

In addition, we have participated in conferences with officers and other representatives of the Company, representatives of the independent accountants of the Company, you, and your counsel, at which the contents of the Registration Statement, the Preliminary Prospectus, and the Prospectus and related matters were discussed. We do not pass upon, or assume any responsibility for, the accuracy, completeness or fairness of the statements contained or incorporated by reference in the Registration Statement, the Preliminary Prospectus, or the

A-4

---

Prospectus and have made no independent check or verification thereof (except to the limited extent referred to in paragraphs iv and xiv of our opinion to you dated the date hereof).

On the basis of the foregoing, (i) the Registration Statement at the time it became effective, and the Prospectus, as of its date, appeared on their face to be appropriately responsive in all material respects to the requirements of the 1933 Act and the 1933 Act Regulations (except that in each case we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom) and (ii) no facts have come to our attention that have caused us to believe that the Registration Statement, at the time it became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus, as of its date and as of the date hereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that in each case we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom or the statements contained in the exhibits to the Registration Statement). In addition, on the basis of the foregoing, no facts have come to our attention that have caused us to believe that documents included in the General Disclosure Package, all considered together, as of the Applicable Time, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom or the statements contained in the exhibits to the Registration Statement).

As used herein, "Applicable Time" means 8:30 a.m. (Eastern time) on September 18, 2008 and "General Disclosure Package" means the Preliminary Prospectus, considered together with the document in Annex A hereto.

In addition, based on the foregoing, we confirm to you that the Prospectus has been filed with the SEC within the time period required by Rule 424 of the Rules and Regulations.

**FORM OF OPINION OF INTELLECTUAL PROPERTY COUNSEL FOR THE  
COMPANY TO BE DELIVERED PURSUANT TO SECTION 5(b)**

Vertex Pharmaceuticals Incorporated

Ladies and Gentlemen:

I am an intellectual property attorney at Vertex Pharmaceuticals Incorporated, a Massachusetts corporation (the "Company"). As an intellectual property attorney of the Company, I am familiar with the Company's intellectual property matters.

This opinion is being furnished to you pursuant to Section 5(b) of the Underwriting Agreement, dated September 18, 2008, between you and the Company, relating to your purchase of 7,500,000 shares of the Company's Common Stock (the "Agreement"). Capitalized terms defined in the Agreement and not otherwise defined herein shall have the meanings set forth in the Agreement.

In my capacity as an intellectual property attorney for the Company, I have reviewed the following statements in the Prospectus dated September 18, 2008 and the documents incorporated by reference therein (the "Prospectus") under the captions "Risk Factors - Risks Related to Our Business - If our patents do not protect our drugs, or our drugs infringe third-party patents, we could be subject to litigation and substantial liabilities" ("the Statements").

Insofar as the Statements involve matters of United States law, they are accurate statements or summaries of the matters therein set forth.

Specifically, as to the Statements, it is my opinion that:

(i) Subject to any specific disclosure to the contrary in the Prospectus, there are no legal or governmental proceedings, except patent prosecution and oppositions, pending or threatened, relating to the patents or patent applications of the Company referenced in the Prospectus.

(ii) Subject to any specific disclosure to the contrary in the Prospectus, there are no legal or governmental proceedings or claims, pending or threatened, against the Company with respect to the patents or patent applications of others, except such proceedings or claims that would not in the aggregate have a Material Adverse Effect.

(iii) Subject to any specific disclosure to the contrary in the Prospectus, to my actual knowledge, there are no facts that would preclude the Company from having clear title to or a valid license under the patents and patent applications referenced in the Prospectus.

---

(iv) The Company has properly filed and diligently prosecuted, or is so prosecuting, each of the Company's pending patent applications except where the Company has determined that any such patent application is not material to the Company's business.

(v) The Company has complied and is continuing to comply on an ongoing basis with the required duty of candor and good faith in dealing with the United States Patent and Trademark Office (the "Office"), including the duty to disclose to the Office all information actually known by it to be material to the patentability of each issued United States patent or pending application referenced in the Prospectus.

Further, I have no actual knowledge, and nothing has come to my attention, that causes me to believe, as of the date of this opinion letter, that the description in the Prospectus of the Company's situation relating to intellectual property matters, including, without limitation, patents and patent applications, contain any untrue statement of a material fact or omit to state a material fact necessary to make such Statements not misleading in the context in which they are made.

This opinion letter is solely for your information and to assist you in conducting your investigation of the affairs of the Company in connection with the aforesaid Agreement and Prospectus, and it is not to be quoted or otherwise referred to in any public disclosure document (including without limitation the Agreement and Prospectus), furnished to any other person, or filed with any governmental agency. Moreover, this opinion letter speaks as of the date hereof and I assume no obligation to advise you of any changes of law or fact that may hereafter occur.

Very truly yours,

**FORM OF CERTIFICATE OPINION OF COMPANY'S VICE PRESIDENT OF  
REGULATORY AFFAIRS TO BE DELIVERED PURSUANT TO SECTION 5(h)**

This certification is being furnished to you pursuant to Section 5(h) of the Underwriting Agreement dated September 18, 2008 between Vertex Pharmaceuticals Incorporated (the "Company") and you (the "Agreement") in connection with your purchase of 7,500,000 shares of the Company's Common Stock (the "Agreement"). Capitalized terms defined in the Agreement and not otherwise defined herein shall have the meanings set forth in the Agreement.

I am Vice President of Regulatory Affairs of the Company. In my capacity as Vice President of Regulatory Affairs of the Company, I have reviewed at your request those portions of the Prospectus set forth under the captions "Risk Factors—Risks Related to Our Business— Many of our drug candidates are still in the early stages of development and all of our drug candidates remain subject to clinical testing and regulatory approval. If we are unable to successfully develop and test our drug candidates, we will not be successful," "Risk Factors—Risks Related to Our Business—If we are unable to obtain U.S. and/or

foreign regulatory approval, we will be unable to commercialize our drug candidates,” “Risk Factors—Risks Related to Our Business—If clinical trials for our drug candidates are prolonged or delayed, we may be unable to commercialize our drug candidates on a timely basis, which would require us to incur additional costs, would delay our receipt of any product revenue and could harm our competitive position,” “Risk Factors—Risks Related to Our Business—If our processes and systems are not compliant with regulatory requirements, we could be subject to delays in filing NDAs or restrictions on marketing of products after they have been approved,” “Risk Factors—Risks Related to Our Business—If we obtain regulatory approvals, our drug candidates will be subject to ongoing regulatory review. If we fail to comply with continuing U.S. and applicable foreign regulations, we could lose those approvals, and our business would be seriously harmed,” and “Business—Government Regulation” (collectively, the “Regulatory Disclosure”).

I have examined originals, or copies that are identified as being true copies of originals, of submissions made by the Company to the U.S. Food and Drug Administration (the “FDA”) pertaining to the Company’s product candidates identified in the Prospectus and related correspondence between FDA and the Company, clinical trial protocols submitted to the FDA, and representative clinical investigator files for each clinical trial, in all such cases pertaining to such product candidates.

Based on my review of the above-referenced documents, I hereby confirm that:

- (i) the statements in the Regulatory Disclosure, insofar as such statements purport to describe or summarize applicable provisions of the Federal Food, Drug, and Cosmetic Act and the regulations promulgated thereunder, are accurate and complete in all material respects and fairly present the information set forth therein;
- (ii) the Company has obtained such licenses, permits, approvals, and authorizations required by the FDA that are necessary for the conduct of the business of the Company as it is currently conducted and described in the Prospectus and to our knowledge such authorizations are in effect;
- (iii) I am not aware of any lawsuit or regulatory proceeding, pending or threatened, brought by or before the FDA, in which the Company is or would be the defendant or respondent, nor are we aware of any adverse judgment, decree, or order currently in effect that has been issued by the FDA against the Company.
